Shop in Your Own Backyard for Neighborly Service

You don't have to go far to get the communications services you want. WIN is a local company with an office nearby, and you can count on us for neighborly service.

As our customer, you won't have to call some faraway service center and be put on hold. Instead, you'll enjoy the convenience of local customer service representatives who will promptly handle service issues and help you get comfortable with today's changing technology.

When you choose WIN as your provider, you'll also get friendly values and the satisfaction of knowing your money is boosting the economy right here at home. Why go anywhere else? Everything you need is in your own backyard.

Congratulations Easter Basket Winners!

The winners of the Easter baskets were Dennis Kerner (WTCI); Cindy and Jim Walker's daughter, Hope (WIN); and Josh Hinkle (ITA).

Easter baskets were displayed in the WIN, ITA, and WTCI offices for customers to register. Customers could also register if they went to our Facebook page and "Like" the photo of the Easter basket. The drawing was held on April 6.

Fly Through Your Online Activities

With High Speed Internet

We know how important Internet service is to you—it's what keeps you connected to the important stuff like world news and Facebook friends. So, you'll appreciate the fact that WIN has a local office with local technicians and local customer service representatives to promptly handle service issues.

Everything you need is in your own backyard.

When was the last time you upgraded your Internet speed? If you're waiting what seems like forever to download a movie or dealing with the annoyance of video buffering, it's probably time to speed things up.

What are you waiting for?
Get moving with download speeds of 3.0 Mbps!

Speeds may vary, depending on location.
