HALLOWEEN SAFETY TIPS

Halloween is just around the corner, and little ghosts and goblins will soon be knocking on neighborhood doors. To make sure kids have fun and stay safe while they're trick-or-treating, follow these tips.

- Carry a flashlight or glow stick and stay on sidewalks.
- Walk -- don't run -- and be sure to stay with a group or accompanying adult.
- Carry identification with you. If possible, carry a cellphone as well.
- Stay on sidewalks. If there are none, walk on the left side of the road, facing traffic.
- Cross only at intersections and designated crosswalks.
- Stop only at homes that are well-lit, and don't go inside.
- Never get in the car with a stranger.
- Bring candy home for inspection before eating any.
- Remember to say, "Thank you!"

All of us at WIN wish you a safe and Happy Halloween!

Wabash Telephone Cooperative (WTCI) & WIN recently made a monetary donation to the Boy Scouts Troop 282 as well as donating pocket flashlights to each scout. We truly appreciate helping an organization that provides programs for the area youth. The Boy Scouts build the future leaders of the community by combining educational activities and lifelong values with fun. The troop recently took a trip to Philmont Scout Ranch, a High Adventure and Training Camp in Cimarron, New Mexico. Philmont Scout Ranch is the Boy Scouts of America's largest national High Adventure Base, with 34 staffed camps, 55 trail camps that provide memorable adventure in the high country along hundreds of miles of rugged, rocky trails. Around 14 young men attended this trip from Troop 282.

It is part of WTCI & WIN's pledge to build strength and vitality in our community.

THINK, SHOP, AND BUY LOCAL!

Think:

- Your local businesses give back more to the community.
- More of your dollars stay in the community.
- More jobs stay in the community.

Shop:

- You can find more of what you need locally.
- You develop relationships locally.
- You can find affordable prices in our community.

Buy:

- Local businesses value, respect and appreciate your patronage.
- More tax dollars go to schools and roads in your community.

Join the local movement! Take the pledge to show your support: "I pledge to THINK first of my local economy; SHOP first at my local businesses and BUY first at my local companies who give back so much, in so many ways to my community."
