

Wabash Communications now offers qualified customers Lifeline service on their broadband service. Lifeline is a non-transferable, federal benefit that makes monthly voice or broadband service more affordable. The program is limited to one discount per household. Eligible households may apply the monthly Lifeline discount to either broadband service (home or wireless) or voice service (home or wireless) but not both. Lifeline customers also have the option to apply the discount to a service bundle, such as home phone and home internet. The Lifeline voice service also includes toll blocking to qualifying customers without charge. The current discount provided under the Company's Lifeline service is \$9.25 per month for each month that the customer qualifies.

A household is eligible for the Lifeline discount if the customer's annual household income is at or below 135% of the federal poverty guidelines. You may also qualify for the Lifeline program if a customer, a dependent, or the customer's household participates in one or more of the following programs:

- Medicaid
- Supplemental Nutrition Assistance Program (SNAP)
- Supplemental Security Income;
- Federal Public Housing Assistance (Section 8)
- Veterans and Survivors Pension Benefit.
